

Dear Supporters,

By now you will be well aware that we are in a new season of life at our City Mission. I am so thankful for a great team of enthusiastic staff, volunteers, and supporters, who have been so encouraging and have helped make this new chapter happen.

The interviews have now been completed for the three positions that were advertised over the summer, and we look back with thankfulness for the God moments in the appointments that have been made...

We were advertising for a part time Fundraiser.

This has been filled by Erica Smith.

We were advertising for a new Schools Team Leader.

This has been filled by Kerry Evans.

We were advertising for a part time Foodbank staff member.

This has been filled by Erica Smith.

Erica has been appointed as both Fundraiser and Food Bank Team Member. Her fundraising role is to approach trusts, grants, and businesses. She will hopefully tap into money, as yet unreached, that will enable the City Mission to continue and grow. Before moving to Brighton in 2012, Erica had regularly been on the move working with Christian organisations; living in Manchester, Scotland, Canada, Africa, and the tough mission field of Hawaii! Erica is excited to have settled in Brighton, working with the City Mission team where she can use all her previous experience to serve the city she loves, whilst, simultaneously, completing a Leadership Development Year with St Peter's Church, Brighton this year.

Kerry is a great asset and the perfect person to head up our Schools Team. Whilst qualifying in Youth Ministry with Oasis College London in 2012, Kerry coordinated the Youth, Children, and Community Work for the Anglican Church in Surrey, and is continuing her role as Reigate Deanery Champion for Children, Young People, Mission, and Ministry. For some years, Kerry led the interdenominational Schools Work in Horley. Kerry is excited about the challenge her new role brings and how she can enable others to work alongside the school children of Brighton and Hove.

APPLICATION CLOSING DATE FRIDAY 27th NOVEMBER 2015

At our Vision Day in October we said farewell to Faithe Holder, our outstanding Head Office volunteer of 22 years, who is reluctantly having to lay down his database administration role. We are therefore advertising for a new Head Office volunteer. Do you have the time to volunteer one or two days a week to keep our database up to date and play an important role in the organisation of our quarterly mail out? If so, please contact office@bhc.org.uk.

All three retirements will leave a large gap, and each one of them represents a wealth of experience. We thank God for their years of service and the strength and maturity Linda, Colleen and Faithe have brought to the City Mission. God bless you as you move on to your next stage in life and thank you from the bottom of our hearts.
